

Turn a Bus into a Taxi!

Do you have appointments in Halifax but no way to get there? Try Maritime Bus' "Last Mile" service!

Maritime Bus offers daily service to Halifax from Lunenburg, Bridgewater, Mahone Bay, Chester Basin and Hubbards. And once in Halifax, you can use their "Last Mile" service to take a Yellow Cab to the front door of your appointment in the downtown core, and back to the bus depot for the trip home. It's a quick, easy and convenient way to get to and from important appointments. Leave home on the South Shore in the morning and be back again for dinner.

If you need help, a companion/attendant rides for free (certain conditions apply.) All personal companion/attendant requests will require a doctor's notice or CNIB card for the bus fee to be waived.

Taking the bus is safe, affordable, comfortable, wi-fi enabled and the drivers are great.
